

Pet Oxygen Mask Donation Fund

A Play and Stay Pet Care Center program to provide Pet Oxygen Masks to first responders in Oakland and Macomb Counties, and across Michigan.

Nationally, 50% of all house fires occur in homes with pets, leading to a high risk of smoke inhalation injury or death. Pediatric oxygen masks are not designed for pets. Please join us in providing mask sets to all first responders to help save the lives of our beloved pets. 100% of your donation will be used towards purchasing and distributing these pet oxygen masks.

Donations may be made payable to:
